Items to leave at home:

- Pocketknives or other weapons
- **Snacks containing nuts.** Damascus is a nut-free facility and for the safety of all our guests, our kitchen staff will scan the labels of any snacks at check-in and confiscate any snacks processed with nuts. Nut-free snacks are available for purchase at the Snack Shack throughout the week.
- **Electronic devices of any type**, as they detract from the experience of a week of camp! Campers will not be permitted to have cell phones. (Our Head Counselors will be able to facilitate communication between you and your camper if the need arises.)
- Articles of clothing that display profanity, products or slogans that promote alcohol, drugs, sexuality, or indecency are prohibited.

Modesty Policy: Clothing is to be modest, dignified, and appropriately suited to camp activities.

- Shirts are to be worn by men at all times except when appropriate for activity participation (paint/mud/water, etc.). It may be appropriate to wear compression shorts under loose fitting shorts to avoid awkward moments (climbing harnesses/impromptu headstands/zipline inversions/living the adventure).
- Spaghetti straps, short shorts (5 inch inseam is a good standard), midriff-revealing shirts, and open-back tops are prohibited. Shirts that are considered undergarments are prohibited when worn as outer layer. Leggings/Yoga pants should only be worn with special attention paid to modest/dignified presentation (longer top/shorts/skirt that covers the hips are super trendy and usually a good idea). If sleeveless shirts are worn, they must not reveal the chest or bra.
- One-piece suits or modest tankini style suits for swimming and aquatic activities are required for ladies. Trunks are required for men.

If not in compliance with the points outlined above, your camper will be asked to change, and if necessary, given something else to wear. Please check your child's bags before camp to save him/her the embarrassment and hassle of this having to be addressed.

Important Note Regarding Medications:

With the exception of asthma inhalers and EpiPens, no minor (under age 18) may possess any drugs, prescription or non-prescription, on their person or in their baggage at any time. Upon arrival at camp, all medications must be given to the nurse who will hold and disburse medications according to directives.

Medications must be registered online with your camper's reservation. (On your account, click on the camper's name, and find the Medications option underneath.)

All medications must be in original container with the attached prescription directives. Medications not in an original container cannot be accepted. It is requested that all medications belonging to one camper be placed in one zip-lock bag and clearly labeled with the camper's name.
